

13th INTERNATIONAL PERMACULTURE CONVERGENCE

hosted by ARANYA AGRICULTURAL ALTERNATIVES

"TOWARDS HEALTHY SOCIETIES"

CONVERGENCE SCHEDULE:

Monday, November 27

Women as agents of change	Permaculture as a social responsibility	Grassroots permaculture in action	Other sessions	Other activities
Sustainable water resource management	Preserving and revitalising traditional farming practices	Permaculture and climate change adaptation	Panel discussions	Traditional village living skills demo

	Bill Mollison Main Hall	Mango, <i>Mangifera indica</i> , Mamidi Pandu (Telugu), Aam (hindi) Classroom 1	Sapota, <i>Manilkara zapota</i> , Sapota (Telugu), Chickoo (hindi) Classroom 2	Custard apple, <i>Annona Reticulata</i> , Sita phal (Telugu and Hindi) Classroom 3	Jack fruit, <i>Artocarpus heterophyllus</i> , Panasa Pandu (Telugu), Kathal (Hindi) Classroom 4	Kids zone
12.30 pm - 1.00 pm	Welcoming address, Orientation & Announcements					
1.00 pm - 2.30 pm	Lunch					Unsupervised lunch
2.30 pm - 3.30 pm		Manisha Lath Gupta "Water management in alternating flash flood and drought"	Nicholas McGuigan & Thomas Kern "Designing the accountable Accountant: Utilizing permaculture principles to create a language of regenerative business"	Dr. Julia Wright "Quantum-based agriculture: it is time for permaculturalists to embrace the invisible"	Dani Wolff-Chambers "Interactive & sustainable design through earth building"	Farm adventure tour
3.30 pm - 4.30 pm	Traditional village living skills: Smokeless chulla, Knots, Stone and iron lighting of fires					Demonstrations: children join adults
	Other demonstrations (to be announced)					
4.30 pm - 5.30 pm	Networking					Musical Instrument Making
5.30 pm - 6.30 pm	Dinner					
6.30 pm - 7.30 pm	Cultural programs					Cultural programs with adults
7.30 pm - late	Entertainment					

	Jamun, <i>Syzygium cumini</i> , Neredu Pandu (Telugu), Jamun (Hindi) Classroom 5	Ber, <i>Ziziphus mauritiana</i> , registered Pandu (Telugu), Ber (Hindi) Classroom 6	Tamarind, <i>Tamarindus indica</i> , Chinta Pandu (Telugu), Imli (Hindi) Classroom 7	Pomegranate, <i>Punica granatum</i> , Daanima pandu (Telugu), anar (Hindi) Classroom 8	Guava, <i>Psidium Guajava</i> , Jama pandu (Telugu), Amrood (Hindi) Classroom 9	Location to be announced on site
12.30 pm - 1.00 pm	Welcoming address, Orientation & Announcements					
1.00 pm - 2.30 pm	Lunch					
2.30 pm - 3.30 pm	Mari Stuart "A climate-beneficial wardrobe: the climate change mitigating potential of regenerative fiber farming"	Dr. Marty Branagan "The Overlooked Role of Women in Environmental Nonviolent Action"	Govinda Sharma "Status of Permaculture initiatives in Nepal, their learnings and messages for the world"	Free slot (to be booked on site)	Free slot (to be booked on site)	Traditional village living skills all day demonstrations: Bamboo processing, Pottery, Splitting of pulses with stone grinder, Local plants medicine, Bullock cart ride, Winnowing, Date mats, Rope making, Handloom, Sun-drying, Leaf plates and bowls, Blacksmithing, Date palm tapping, Collecting honey
3.30 pm - 4.30 pm	Traditional village living skills: Smokeless chulla, Knots, Stone and iron lighting of fires					
	Other demonstrations (to be announced)					CoLab
4.30 pm - 5.30 pm	Networking					
5.30 pm - 6.30 pm	Dinner					
6.30 pm - 7.30 pm	Cultural programs				IPCC & FIPC	Cultural programs
7.30 pm - late	Entertainment					

13th INTERNATIONAL PERMACULTURE CONVERGENCE hosted by ARANYA AGRICULTURAL ALTERNATIVES "TOWARDS HEALTHY SOCIETIES"

CONVERGENCE SCHEDULE:

Tuesday, November 28

Women as agents of change	Permaculture as a social responsibility	Grassroots permaculture in action	Other sessions	Other activities
Sustainable water resource management	Preserving and revitalising traditional farming practices	Permaculture and climate change adaptation	Panel discussions	Traditional village living skills demo

Bill Mollison Main Hall	Mango, <i>Mangifera indica</i> , Mamidi Pandu (Telugu), Aam (hindi) Classroom 1	Sapota, <i>Manilkara zapota</i> , Sapota (Telugu), Chickoo (hindi) Classroom 2	Custard apple, <i>Annona Reticulata</i> , Sita phal (Telugu and Hindi) Classroom 3	Jack fruit, <i>Artocarpus heterophyllus</i> , Panasa Pandu (Telugu), Kathal (Hindi) Classroom 4	Kids zone	
Yoga / Morning Walk (Tea available)						
6.30 am - 8.00 am	Traditional village living skills: Cow dung floors, Ploughing with bullock & explanation of variety of bullock ploughing and sowing implements, Saree tying, Milking cow, Natural toothcare, Rangoli					
8.00 am - 9.00 am	Breakfast					
9.00 am - 10.00 am	Morning circle: Review + Announcements + Energizer					
10.00 am - 11.00 am	Panel discussion 1: DESIGNING SUSTAINABLE LIVING COMMUNITIES	Arendhu SC "Climate change adaptation in East-Central India"	Amani Dagher and Ghassan Al Salman "Implementing micro gardens in Syrian refugee camps in Lebanon"	Dr. Elizabeth Anne Westaway "Sustainable nutrition and permaculture"	Albert Bates "Climate Ecoforestry and the Cool Village"	Planting and composting: a garden cycle
11.00 am - 11.30 am	Tea break					
11.30 am - 12.30 pm	Panel discussion 2: URBAN PERMACULTURE	Himalayan Permaculture Centre "Sharing stories of resilience-building in Nepal - an overview of priority areas of the Himalayan Permaculture Centre"	Robin Clayfield "Creative permaculture education as a grassroots action"	Linda Kabalra "Children and youth action in building climate resilience"	Orta O'Donovan "Remembering "H2O and the Waters of Forgetfulness" - Ivan Illich, Permaculture and Ireland's water war"	Planting and composting continues
12.30 pm - 1.30 pm	Lunch					
1.30 pm - 2.30 pm	Panel discussion 3: PERMACULTURE AND SCIENCE	Kendall Dunnigan "Women's permaculture network - Identifying barriers and opportunities for women in permaculture"	Jetta Hangesen "Permaculture to achieve less emissions of greenhouse gas"	Madan Poudel "On-farm biodiversity conservation for strengthening farmers seed diversity in Fulbari, Chitwan, Nepal"	Wycliffe Otieno "Education for peasants of tomorrow"	Art session for Perma exchange
2.30 pm - 3.00 pm	Tea break					
3.00 pm - 4.30 pm	Panel discussion 4: PERMACULTURE & YOGA	Traditional village living skills: Natural home building Indian style, Seed oil grinding, Seed preservation (harvesting, separating, cleaning), Dehusking millets by hand, Millet in the kitchen, Natural dyes, Knots, Stone and iron lighting of fires			Demonstrations: children join adults	
Other demonstrations (to be announced)						
4.30 pm - 5.30 pm	Networking					
5.30 pm - 6.30 pm	Dinner					
6.30 pm - 7.30 pm	Cultural programs					
7.30 pm - late	Entertainment					
					Movie night (The Lorax)	

Jamun, <i>Syzygium cumini</i> , Neredu Pandu (Telugu), Jamun (Hindi) Classroom 5	Ber, <i>Ziziphus mauritiana</i> , registered Pandu (Telugu), Ber (Hindi) Classroom 6	Tamarind, <i>Tamarindus indica</i> , Chinta Pandu (Telugu), Imli (Hindi) Classroom 7	Pomegranate, <i>Punica granatum</i> , Daanima pandu (Telugu), anar (Hindi) Classroom 8	Guava, <i>Psidium Guajava</i> , Jama pandu (Telugu), Amrood (Hindi) Classroom 9	Location to be announced on site	
Yoga / Morning Walk (Tea available)						
Traditional village living skills: Cow dung floors, Ploughing with bullock & explanation of variety of bullock ploughing and sowing implements, Saree tying, Milking cow, Natural toothcare, Rangoli						
Breakfast						
Morning circle: Review + Announcements + Energizer						
10.00 am - 11.00 am	Jeremiah Kidd "Community drought solutions - building resilience and abundance through a holistic design approach"	Brett Prichards "The use of probiotic inoculates to turn traditional wet paddy rice fields and urban wicking beds from methane emitters into carbon and nitrogen sinks"	Alex Kruger "The power of peer to peer learning"	Free slot (to be booked on site)	Free slot (to be booked on site)	Traditional village living skills all day demonstrations:
11.00 am - 11.30 am	Tea break					
11.30 am - 12.30 pm	Cathe'Fish "Empowering Women Worldwide with Water and Sun Energy Management"	Clea Chandmal "Permaculture for income and food security for tribals in the Pench tiger reserve"	Dave Hursthouse "Making Permaculture stronger"	Free slot (to be booked on site)	Free slot (to be booked on site)	Bamboo processing, Pottery, Splitting of pulses with a stone grinder, Local plants medicine remedies for all regular home needs, Bullock cart ride across farm, Winnowing methods, Date mats, Rope making, Handloom, Sun-drying, Leaf plates and bowls, How to use tools, Blacksmithing, Date palm tapping, Collecting honey from beehives
12.30 pm - 1.30 pm	Lunch					
1.30 pm - 2.30 pm	Keshav Jaini "Transforming urban communities with permaculture - Garden Estate, a case study"	Francesca Simonetti "Children in permaculture: a future of hope"	Starhawk "Permaculture and spirit"	Free slot (to be booked on site)	Free slot (to be booked on site)	
2.30 pm - 3.00 pm	Tea break					
3.00 pm - 4.30 pm	Traditional village living skills: Natural home building Indian style, Seed oil grinding, Seed preservation (harvesting, separating, cleaning), Dehusking millets by hand, Millet in the kitchen, Natural dyes, Knots, Stone and iron lighting of fires			CoLab		
Other demonstrations (to be announced)						
4.30 pm - 5.30 pm	Networking					
5.30 pm - 6.30 pm	Dinner					
6.30 pm - 7.30 pm	Cultural programs			IPCC & FIPC		Cultural programs
7.30 pm - late	Entertainment					

13th INTERNATIONAL PERMACULTURE CONVERGENCE hosted by ARANYA AGRICULTURAL ALTERNATIVES "TOWARDS HEALTHY SOCIETIES"

CONVERGENCE SCHEDULE: Wednesday, November 29

Women as agents of change	Permaculture as a social responsibility	Grassroots permaculture in action	Other sessions	Other activities
Sustainable water resource management	Preserving and revitalising traditional farming practices	Permaculture and climate change adaptation	Panel discussions	Traditional village living skills demo

		Bill Mollison Main Hall	Mango, <i>Mangifera Indica</i> , Mamidi Pandu (Telugu), Aam (Hindi) Classroom 1	Sapota, <i>Manilkara zapota</i> , Sapota (Telugu), Chikoo (Hindi) Classroom 2	Custard apple, <i>Annona Reticulata</i> , Sita phal (Telugu and Hindi) Classroom 3	Jack fruit, <i>Artocarpus heterophyllus</i> , Panasa Pandu (Telugu), Kathal (Hindi) Classroom 4	Kids zone	
Yoga / Morning Walk (Tea available)								
6.30 am	8.00 am	Traditional village living skills: Cow dung floors, Ploughing with bullock & explanation of variety of bullock ploughing and sowing implements, Saree tying, Pickle making, Milking cow, Natural toothcare, Rangoli						
Breakfast								
Morning circle: Review + Announcements + Energizer								
10.00 am	11.00 am	Panel discussion 5: RADICAL REDESIGN AND PERMACULTURE	Paulo Bessa "Designing pioneering food forests in Iceland, Austria and Portugal"	Christoff Schneider "Hot composting with controlled microbiological carbonation, cold composting, Terra Preta, soil mixtures, compost extract for farms, towns..."	Ego Lamos "The Timor-Leste national Permaculture School Gardens program and Tropical Permaculture Guidebook launch"	Jeremy Lynch "Water harvesting as social change"	9:30 am Building a worm farm	
Tea break								
11.00 am	11.30 am	Supervised tea break						
11.30 am	12.30 pm	Panel discussion 6: INTERNATIONAL PERMACULTURE AND CULTURAL SENSITIVITY	Sara Wuerstle "Fix a flood with an orchard: ancient solutions to flood and drought in the era of tech"	Bridget O'Brien "Adapt" - Play & Create the world of your dreams"	Rosie Harding & Peter Fernandes "The importance of climate- appropriate perennials in a successful home kitchen garden"	Rebecca Becky Ellis "Bees as allies: co-creating farms and gardens with bees"	Perma Master Chef	
Lunch								
1.30 pm	2.30 pm	Panel discussion 7: PERMACULTURE, OPEN GOVERNEMENTS AND SOCIOCRACY	Chris Evans "Permaculture is more than gardening: application of design in project management on the roof of the world"	Binay Kumar "Permaculture with the ancient Indian techniques of agriculture like AGNIHOTRA and also cows"	J. Tedrowe Bonnier "If women counted: a call to arms in an epoch return to global misogyny"	Nisha Srinivasan, Ragunath Padmanabhan & Aum "Integrating Permaculture with Prema- culture"	Perma Master Chef continues	
Tea Break								
2.30 pm	3.00 pm	The Great Perma exchange						
3.00 pm	4.30 pm	Traditional village living skills: Natural home building Indian style, Pitchai irrigation, Seed oil grinding, Cow dung cakes for fuel, Seed preservation (harvesting, separating, cleaning), Dehusking millets by hand, Millet in the kitchen, Natural dyes, Lumber making						
Other demonstrations (to be announced)								
4.30 pm	5.30 pm	Regional networking						
Dinner								
Cultural programs								
Entertainment								
							Band practice	

		Jamun, <i>Syzygium cumini</i> , Neredu Pandu (Telugu), Jamun (Hindi) Classroom 5	Ber, <i>Ziziphus mauritiana</i> , registered Pandu (Telugu), Ber (Hindi) Classroom 6	Tamarind, <i>Tamarindus Indica</i> , Chinta Pandu (Telugu), Imli (Hindi) Classroom 7	Pomegranate, <i>Punica granatum</i> , Daanipa Pandu (Telugu), anar (Hindi) Classroom 8	Guava, <i>Psidium Guajava</i> , Jama Pandu (Telugu), Amrood (Hindi) Classroom 9	Location to be announced on site	
Yoga / Morning Walk (Tea available)								
6.30 am	8.00 am	Traditional village living skills: Cow dung floors, Ploughing with bullock & explanation of variety of bullock ploughing and sowing implements, Saree tying, Pickle making, Milking cow, Natural toothcare, Rangoli						
Breakfast								
Morning circle: Review + Announcements + Energizer								
10.00 am	11.00 am	Eunice Neves "Accelerate succession in the global permaculture community - learning from the pioneers"	Rim Mathlouti "Taking care of the others thanks to the land: the case of Tunisia Permaculture"	Shah Badyari "Climate change impacts on glaciers, lakes, rainfalls: Kashmir and permaculture"	Free slot (to be booked on site)	Free slot (to be booked on site)	Traditional village living skills all day demonstrations: Bamboo processing, Pottery, Splitting of pulses with a stone grinder, Local plants medicine remedies for all regular home needs, Bullock cart ride across farm, Winnowing methods, Date mats, Rope making, Handloom,ing, Sun-drying, Leaf plates and bowls, How to use tools, Blacksmithing, Date palm tapping, Collecting honey from beehives	
Tea break								
11.00 am	11.30 am	Supervised tea break

Lunch								
1.30 pm	2.30 pm	Raya Cole "Small farm design for the Indian drylands"	Hui-Chiang "The opportunity and challenge of introducing and localizing Permaculture into the Chinese-speaking world"	Anna Bartoli "Permaculture: a living community... and beyond - the Italian experience"	Free slot (to be booked on site)	Free slot (to be booked on site)		
Tea break								
3.00 pm	4.30 pm	Traditional village living skills		Blue Mountains Permaculture Institute "Presentation of Work for Merit diplomas by International Permaculture Innovators"		CoLab		
Other demonstrations								
Regional networking								
Dinner								
Cultural programs								
Entertainment								

13th INTERNATIONAL PERMACULTURE CONVERGENCE

hosted by ARANYA AGRICULTURAL ALTERNATIVES

"TOWARDS HEALTHY SOCIETIES"

CONVERGENCE SCHEDULE:

Thursday, November 30

Women as agents of change	Permaculture as a social responsibility	Grassroots permaculture in action	Other sessions	Other activities
Sustainable water resource management	Preserving and revitalising traditional farming practices	Permaculture and climate change adaptation	Panel discussions	Traditional village living skills demo

Bill Mollison Main Hall		Mango, <i>Mangifera indica</i> , Mamidi Pandu (Telugu), Aam (hindi) Classroom 1	Sapota, <i>Manilkara zapota</i> , Sapota (Telugu), Chickoo (hindi) Classroom 2	Custard apple, <i>Annona Reticulata</i> , Sita phal (Telugu and Hindi) Classroom 3	Jack fruit, <i>Artocarpus heterophyllus</i> , Panasa Pandu (Telugu), Kathal (Hindi) Classroom 4	Kids zone	
Yoga / Morning Walk (Tea available)							
6.30 am	8.00 am	Traditional village living skills: Cow dung floors, Ploughing with bullock & explanation of variety of bullock ploughing and sowing implements, Saree tying, Milking cow, Natural toothcare, Rangoli					
8.00 am	9.00 am	Breakfast					
Morning circle: Review + Announcements + Energizer							
10.00 am	11.00 am	Panel discussion 8: FOOD FORESTS, PERENNIALS AND CLIMATE CHANGE	Bert Peeters <i>"The Gentle Wild: Generating ecosystems based abundance, crafting and healing with nature"</i>	Rafter Sass Ferguson <i>"Permaculture and the climate crisis"</i>	Marcia Amidon <i>"Women in agriculture: a historical perspective"</i>	Katherine Szuminska <i>"Invisible structures no more! Opening governments to work for us"</i>	Nature art and basket weaving
11.00 am	11.30 am	Tea break					Supervised tea break
11.30 am	12.30 pm	Panel discussion 9: INTERGENERATIONAL - PRACTITIONERS SUCCESSION IN PERMACULTURE	Nishad Malla & Michael Cocchini <i>"Seismic resistant natural building in post-earthquake Nepal: rural housing strategies"</i>	Penny Livingston <i>"Regenerative herbalism and medicinal food forests: revitalising and preserving traditional herbal knowledge and practices"</i>	Cynthia Tina <i>"Networking For Impact: Collaborative Tool Sharing"</i>	Margarethe Holzer <i>"Permaculture, an open door to the world: a permaculture journey with the last 6 IPC's as key-points"</i>	Clowning, Theatre & Performance
12.30 pm	1.30 pm	Lunch					Unsupervised lunch
1.30 pm	2.30 pm	Panel discussion 10: PERMACULTURE, MIGRATIONS AND REFUGEES: VALUE THE MARGINAL	Chokedee Parasaganond & Michael Commons <i>"Over 25 years of experience integrating and utilizing bamboo in Wanakeset (forest gardening systems)"</i>	Dr. Charlie Brennan <i>"Making sense of place"</i>	Lachlan McKenzie <i>"An understanding, analysis and vision of international permaculture education"</i>	Karen de Vries <i>"Voices from the edge: changing the climate of the mind"</i>	Natural Jewellery making & making Evin houses
2.30 pm	3.00 pm	Tea break					Supervised tea break
3.00 pm	4.30 pm	Traditional village living skills: Pitchari irrigation, Seed oil grinding, Cow dung cakes for fuel, Seed preservation (harvesting, separating, cleaning), Millet in the kitchen, Natural dyes, Lumber making					Demonstrations: children join adults
Other demonstrations (to be announced)							
4.30 pm	5.30 pm	Networking					Children's meditation
5.30 pm	6.30 pm	Dinner					
6.30 pm	7.30 pm	Cultural programs					
7.30 pm	late	Entertainment					Night walk: sensory exploration, star gazing

Jamun, <i>Syzygium cumini</i> , Neredu Pandu (Telugu), Jamun (Hindi) Classroom 5		Ber, <i>Ziziphus mauritiana</i> , registered Pandu (Telugu), Ber (Hindi) Classroom 6	Tamarind, <i>Tamarindus indica</i> , Chinta Pandu (Telugu), Imli (Hindi) Classroom 7	Pomegranate, <i>Punica granatum</i> , Daanima pandu (Telugu), anar (Hindi) Classroom 8	Guava, <i>Psidium Guajava</i> , Jama pandu (Telugu), Amrood (Hindi) Classroom 9	Location to be announced on site	
Yoga / Morning Walk (Tea available)							
6.30 am	8.00 am	Traditional village living skills: Cow dung floors, Ploughing with bullock & explanation of variety of bullock ploughing and sowing implements, Saree tying, Milking cow, Natural toothcare, Rangoli					
8.00 am	9.00 am	Breakfast					
Morning circle: Review + Announcements + Energizer							
10.00 am	11.00 am	Patrick Muca Evello <i>"Seed bank implementation and management with indigenous communities in Guatemala"</i>	Jinan K B <i>"From knowing nature to being nature, understanding alienation and learning to let go" - A meditative, experiential and exploratory workshop.</i>	Tuljamma <i>"Millets - Field to table: Threshing, winnowing, grinding rotis" Part 1</i>	Free slot (to be booked on site)	Free slot (to be booked on site)	Traditional village living skills all day demonstrations:
11.00 am	11.30 am	Tea break					Bamboo processing, Pottery,
11.30 am	12.30 pm	Than Shwe <i>"Permaculture in action for grassroots community development in Myanmar"</i>	Paolo Rosazza <i>"Permaculture learning center - Egypt, Sinai"</i>	Tuljamma <i>"Millets - Field to table: Threshing, winnowing, grinding rotis" Part 2</i>	Free slot (to be booked on site)	Free slot (to be booked on site)	Splitting of pulses with a stone grinder,
12.30 pm	1.30 pm	Lunch					Local plants medicine remedies for all regular home needs,
1.30 pm	2.30 pm	Mario Yanez <i>"The role of permaculture in re-patterning our world"</i>	Bibek Dhital <i>"Ecovillage development through the empowerment and leadership of women: the example of Pathlekhet (Nepal)"</i>	Tuljamma <i>"Millets - Field to table: Threshing, winnowing, grinding rotis" Part 3</i>	Free slot (to be booked on site)	Free slot (to be booked on site)	Bullock cart ride across farm, Winnowing methods, Date mats, Rope making, Handloom, Sun-drying, Leaf plates and bowls, How to use tools, Blacksmithing, Date palm tapping, Collecting honey from beehives
2.30 pm	3.00 pm	Tea break					
3.00 pm	4.30 pm	Traditional village living skills	Global Ecovillage Network GEN International <i>"Ecovillage Development Program (EDP)"</i>	Tuljamma <i>"Millets - Field to table: Threshing, winnowing, grinding rotis" Part 4</i>	Open discussion led by Rowe <i>"Thinking about wicked problems with the best permaculture minds"</i>	CoLab	
Other demonstrations							
4.30 pm	5.30 pm	Networking					IPCC & FIPC
5.30 pm	6.30 pm	Dinner					
6.30 pm	7.30 pm	Cultural programs					
7.30 pm	late	Entertainment					

CONVERGENCE SCHEDULE:

Friday, December 1

Women as agents of change	Permaculture as a social responsibility	Grassroots permaculture in action	Other sessions	Other activities
Sustainable water resource management	Preserving and revitalising traditional farming practices	Permaculture and climate change adaptation	Panel discussions	Traditional village living skills demo

	Bill Mollison Main Hall	Mango, <i>Mangifera indica</i> , Mamidi Pandu (Telugu), Aam (Hindi) Classroom 1	Sapota, <i>Manilkara zapota</i> , Sapota (Telugu), Chickoo (Hindi) Classroom 2	Custard apple, <i>Annona Reticulata</i> , Sita phal (Telugu and Hindi) Classroom 3	Jack fruit, <i>Artocarpus heterophyllus</i> , Panasa Pandu (Telugu), Kathal (Hindi) Classroom 4	Kids zone
